Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Continuation of Substance of Interview including description of the general nature of what was discussed: in response to the instant 11/17/09 request for consideration of a previous information disclosure statement (IDS) filed on 5/4/05 (for the instant serial number 10529892, referred to as the '892 case, allowance mailed 10/30/09), the Examiner called Attorney Steven Warner to indicate that the only evidence supplied by Applicant for the previously filed 5/4/05 IDS was identified with a different unrelated serial number (referred to as the '982 case). After consulting with SPE Mark Huff, the Examiner explained to Steven Warner that in the instant '892 case, Applicant should file: (1) an RCE under 37 CFR 1.114 with the fee set forth in 37 CFR 1.17(e) (in accordance with MPEP section 1308, sub-section I, A, before payment of the issue fee to withdraw the case from allowance) and (2) an appropriate petition with accompanying fee.
